Description

A high-quality tool trolley with 251 pieces of tools, suitable for any workshop or garage. The tool trolley has seven drawers and an additional side cabinet. Six drawers are equipped with tools, while the seventh drawer and the side cabinet provide extra space for your belongings. On top, there is a strong plastic work surface with compartments for screws, washers, nuts, and other small items. The trolley can be moved around the workshop as it is on rubber wheels, two of which are swiveling and lockable. The tool trolley has a central lock for all drawers, protecting the tools from theft.

Dimensions of the assembled tool trolley: (L x W x H) 460 mm x 820 mm x 960 mm

Weight of the assembled tool trolley: 79 kg
