Welding table 2400 x 1200 mm

Product Code: 03602
Availability: Send inquiry

Price: ~~3550.20€~~ 2574.20€

Ex Tax: ~~2910.00€~~ 2110.00€

Description
Heavy duty 3D welding table, system 28. Optionally nitrided. Various options available.

Table thickness: 23.5 – 24.5 mm

Holes/diameter: 28 mm
Legs: heavy duty, with or without wheels
Table height approx.: 650 – 850 mm
Table weight approx.: 816 kg
Gray cast iron HT250
Maximum load: max. 2 times own weight

The table is a casting, including the sides and bottom reinforcements, which is a significant advantage compared to welded tables.
